

Message from the President

Hello Everyone:

I hope this email finds you well and your summer was fun. It is hard to believe fall is just around the corner.

I am so happy that our chapter was able to meet virtually for the past 1.5 years during the pandemic. I am pleased to announce that we will be meeting in person on October 28th. Just a reminder that October is an especially important month for our chapter. It is the time of year for us to hold our Elections for the new 2022 board. Last year due to the pandemic, we were unable to hold elections. AAPC allowed us to retain the same board for the year, however, this year we must hold elections for a new board.

We're fortunate to have such a strong, robust chapter with many loyal members. This year it is time to vote for a new board to bring us fresh ideas. Our current board has been working hard for a number of years. The board as well as the National AAPC feel it is time for a change. The only way to keep our chapter alive is by volunteering for one of the board positions. Yes, it is a time commitment, although not extensive.

In 2022, I will be stepping down as Chapter President. I have thoroughly enjoyed acting as your President over the last number of years and I look forward to working with and mentoring the new President next year.

Please email Kate Clark at cclark@mosaichcs.com and let her know a position you might be interested in and she will be happy to give you the details. During our September Virtual Chapter Meeting we will be happy to discuss any of the positions or answer questions. Your chapter needs you to step up and volunteer.

Sincerely,

Leslie AuCoin, CPC
President, Charm City Chapter, AAPC (Baltimore East)

*President, Vice President, Secretary, Education,
New Member and Treasurer*
